What are the key targets or aims of this work in the first 12 months (up to 3)?

- 1.
- 2.
- 3.

How will you monitor and evaluate the work so that you know if you have been successful or not?

What is the income and expenditure for this piece of work? Please provide a fully costed revenue or capital budget, using the template available on our website.

What support are you requesting from the Callander Community Hydro Fund?

e.g. contribution towards running costs/contribution towards Project Manager's salary/
contribution to equipment purchase

When is the funding required?

Please use this space to give us any other information that you feel is relevant to your application

To the best of my knowledge, the information provided on this application gives a true and accurate account of this applicant's or organisation's work and needs. I confirm that I am authorised to commit my organisation in this way. I confirm that my organisation unconditionally authorises Callander Community Development Trust to publish details of financial support given to my organisation and of the objectives of my organisation; to pass any details obtained about my organisation through this application or through subsequent assessment procedures to external agencies, including other grant-making bodies, and also to use such information as part of any survey undertaken by Callander Community Development Trust; and/or to use any such details as part of any press release or publication; and that without the need at any time to obtain the further consent or agreement of me or my organisation.
