	Meeting had been held with Residents of Bridgend and Stirling Council to discuss the SC proposal for road improvements. Dissatisfaction with most of the proposals. SC have since responded that all proposals, apart from the upgrade to the zebra crossing have been withdrawn. They will be reviewing speed control measures and hope to carry out repairs to pavements.		
	Public meeting – organised by Community Council on 9 th March. Intend to describe what has been achieved in the past 5 years, outline the major long term projects and to present a long term vision for Callander.		
	Recycling bins – new system getting better but still not working and the Saturday collections are not welcome for Callander especially during the summer tourist season. Need a review of why the system is not working and collections in Callander to be rescheduled.
