

## CCC WEBSITE UPDATE

9<sup>th</sup> November 2020

As can be seen from the table below, usage of the website rose significantly in October.

The ongoing management of the site by Interesting Digital continues to go very smoothly, with them reacting very quickly for requests for changes in content. If anyone wishes to add something to the site, then please send me the details and I'll attend to it.

### Ongoing Updates

Since the last meeting the Minutes section has been updated through the addition of 2019 and 2020 Minutes that had been missing from the site. Going forward, I'd like to add a bit more of the history of CCC, including AGM minutes from as far back as we are able. So, if any of the current longer serving councillors have any tales of interest or indeed previous AGM minutes, I'd welcome receiving them.
