

CALLANDER COMMUNITY COUNCIL MONTHLY MEETING 08.02.21 CHAIR'S GENERAL UPDATE

General overview: council membership and office bearers

Following the resignations of the Treasurer (Brian McKay) and Treasurer (Alex Mitchell), Elaine Watterson was elected as a new Treasurer and Dick Johnson as Secretary at the January meeting. They thus join the existing office-bearers: Chair (Susan Holden), Vice Chair (David Shearer) and Planning (David Moore).

Their places as council members have not yet been filled and a discussion will be held as to whether to hold these vacancies until our current areas of activity are clearer.

An update on these changes was published in the February/March BLV issue.

Views on the topic of the circulation and publication of video recordings of the monthly meetings were discussed at a Special Meeting on 25 January, with a Stirling Council Community Engagement Team officer present. Ongoing questions relating to data protection and copyright responsibility are currently being explored.
