Background – At the moment Cllrs Tweed and Earl are working with me on

following issues already noted in this report at Item Nos 31, 73, 99 and 149.

However, a Zoom meeting was held on 29 Jan 21 to discuss with Bear Scotland aforementioned issues together with other complaints held by Cllr Earl. In addition, a fruitful discussion took place regarding arranging to take a more holistic view with Bear of repairs and enhancement of A84 road, pavements and street lighting etc [item 73] The CCC now awaits written confirmation regarding the latter. I intend to contact Stirling Council on a similar basis.
