CCC Website Update

12th April 2021

CCC website visitation was the second lowest in the month of March taking into account data at hand. CCC website needs to be more accessible from the main InCallander Homepage. This is much required work, however, due to current working arrangements I simply haven't had the time to put together a proposal.

Video Recordings of CCC Meetings

Per CCC agreement, all recordings will only be accessible by the CCC chair, secretary and notetaker and are to be used for notetaking purposes only.

Ongoing Updates

This report was created, and is based upon, only 4 month's website report data. If any additional information is requested in relation to format or content please ask.

The website administrator has created a 'reports archive' using the December reports as the initial instalments. Once established I will be reaching out to fellow Callander Community Councillors for any historical documents available which could also be included in the archive.
